

Curriculum vitae

DR. MD. EHTASHAMUL HASSAN, Ph.D.

Scientist – D,
Officer-in-charge, Hemiptera Section &
Nodal Officer & CPIO, RTI Cell
Zoological Survey of India,
M-Block, New Alipore, Kolkata
West Bengal – 700 053

Email: ehtashamulhassan@gmail.com

Mobile: +91-8961420750

Date of Birth

10th January, 1978

Gender (M/F/T):

MALE

Category Gen/SC/ST/OBC

GENERAL

Whether differently abled (Yes/No):

YES

Academic Qualification (Undergraduate Onwards)

S.N	Degree	Year	Subject	University/Institution	% of Marks
1.	B. Sc.	1998	ZOOLOGY	Aligarh Muslim University, Aligarh	55.6%
2.	M. Sc.	2000	ZOOLOGY (ENTOMOLOGY)	Aligarh Muslim University, Aligarh	64.2%
3.	B.Ed.	2001	LIFE SCIENCE	Aligarh Muslim University, Aligarh	57 %
4.	Ph. D.	2008	ZOOLOGY	Aligarh Muslim University, Aligarh	Awarded

Ph.D. thesis title	Chromoecology and Morphometrical studies on swarming Acridoidea.
University:	Aligarh Muslim University, Aligarh
Supervisor:	Dr. Mohammad Hayat, Chairman, Department of Zoology.
Year of Award:	2008
Out come	Surveyed in and at Aligarh district (Uttar Pradesh) during the period of 2002 to 2005 for the collection of Grasshoppers for conducting ecological studies (Population dynamics, Biology, Colour patterns and Morphometrics under different Ecological conditions)

Work experience (in chronological order):

S. No .	Positions held	Name of the Institute	From	To	Pay Scale
1	Scientist-D	Zoological Survey of India, M-Block, New Alipore, Kolkata-700053.	28.01.2015	Continue	
2	Scientist-C	Zoological Survey of India, M-Block, New Alipore, Kolkata-700053.	20.10.2010	27.01.2015	15,600-39,100 + 6600 GP
3	Assistant	Central Silk Board, MoT, Govt. of India, Madivala, BTM Layout, Bangalore	August 2008	October 2010	GP- Rs. 4200/-
4	JRF/ SRF (DST Project)	Tropical Forest Research Institute (TFRI), Jabalpur (MoEF)	March, 2006	August, 2008	Rs 12,000/ Rs 14,000 (Consolidated)

Area of Specialization

Entomology: (Taxonomy, Ecology & Biological Control)

- ❖ Taxonomy of Pentatomidae and other heteropteran families (Hemiptera)
- ❖ Taxonomy and study of Biological Control of egg parasites, *Trichogramma* and *Trichogrammatoidea* (Hymenoptera: Trichogrammatidae)
- ❖ Biological control (Host culture, Mass multiplication of *Trichogramma*)
- ❖ Ecology, biology and morphometrics of Grass hoppers and Locusts (Orthoptera).

Field experienced

Tropical Forest Research Institute, Jabalpur

Joined a DST Project entitled “Screening of indigenous species of *Trichogramma* Westwood and *Trichogrammatoidea* Girault (Hymenoptera: Trichogrammatidae) from central India and their utilization against important forest insect pests at Tropical Forest Research Institute, Jabalpur. Collected more than 3000 examples from the four states of Maharashtra, identified 4 new records to India, added 17 new species of *Trichogramma* and *Trichogrammatoidea* to the science, four species of *Trichogramma* were tested against important forest insect pests.

Central Silk Board, Bangalore

Joined Central Silk Board, Bangalore at Headquarters and was placed in Technical Section to handle Cluster Development Programmes and Sericulture Development in India, RS & GIS programme and evaluation of Scientific Technical Reports.

Zoological Survey of India, HQ, New Alipore, Kolkata

I joined ZSI, Headquarters, Kolkata on 20th October, 2010 and posted in Hemiptera Section. Started taxonomic studies on the family Pentatomidae and other families of Heteroptera.

Research programmes conducted : 1. Hemipteran fauna of Maharashtra under State fauna series, 2. Satkosia Bassipalli Wildlife Sanctuary, 3. Terai Grasslands of Gangatic planes, 4. Gorumara NP & Chapramari Wildlife Sanctuary, Mahananda Wildlife Sanctuary.

- Yousuf, M and Hassan, M.E. 2006. Description of a new species of *Trichogrammatoidea* Girault (Hymenoptera: Trichogrammatidae) from central india. *Bull. Pure. & Appl. Sci.* **25A** (2) : 85-88.
- F. R. Khan, N. Maqbool, E. Hassan & S. M. A. Badruddin. 2001. Record of damage of some medicinal plants by the nursery locust, *Phlaeoba infumata* (Orthoptera: Acrididae) *Bionotes*. **5**(2) : 48.

Conferences/ Seminars.

Papers in Symposium proceedings

1. Yousuf, M and Hassan, M. E. 2008. Record on indigenous species of *Trichogramma* & *Trichogrammatoidea*, from central India and there role in integrated Pest Management of

- key insect pests of forestry. In, National Symposium on, “*Integrated Pest and Disease Management (IPDM) in arid and Semi-arid areas*”, March, 12th-13th , 2008; at Arid Forest Research Institute, Jodhpur (Rajasthan) (Abstract,O 21).
- 2. Yousuf, M and Hassan, M.E. 2008. First records of Brachonid parasitoides and there host range with special reference to forest tree species in Madhya Pradesh. In, National Symposium on “*Forest and Environments in India: Contemporary issues and challenges*” , February, 18th – 19th , 2008; at Guru Ghasidas University, Bilaspur (Chhattisgarh). (Abstract, P 17).
 - 3. Yousuf, M and Hassan, M.E. 2007. Screening of indigenous species of *Trichogramma* Westwood & *Trichogrammatoidea* Girault, from central India In, National Symposium on “*Emerging trends of Bio-inoculants in forestry*”, April, 26th-27th, 2007, at, Tropical Forest Research Institute, Jabalpur (M.P.) (Abstract, P 23).
 - 4. Rizvi, S.K.A., Basit, A. , Badruddin, S.M.A. and Hassan, M.E. 2004. Ecological studies on some occasionally gregarious Acridoidea of North India. In, National Symposium on “*The Modern Trends in Researches on Physiological and Entomology*” , Jan, 27th-29th, 2004, at Dept. of Zoology, DR.H.S.GOUR University, Sagar. (Abstract, P 24).
 - 5. Badruddin, S.M.A., Nazma Maqbool, Shosha, T.A., Khan, F.R., Hassan, M.E. and Rizvi, S.K.A. 2003. Grasshoppers as Bioindicator of Environmental Pollution through Chromoecological Behaviour. In, Souvenir National Conference on “*Environmental Pollution Prevention & Control*”, June, 5th, 2003, at University Polytechnic, A.M.U. Aligarh.
 - 6. Rizvi, S.K.A., Nazma Maqbool, Badruddin, S.M.A. and Hassan, M.E. 2003. On the significance of Biodiversity in eastern and North eastern States in Macrobiotechnology. In, National Symposium on “*Assessment and Management of Bioresources*” May, 28th-30th, 2003, at Dept. of Zoology, University of North Bengal (Abstract, P 70).
 - 7. Nazma Maqbool, Rizvi, S.K.A., Badruddin, S.M.A. and Hassan, M.E. 2003. Land use with reference to Pestilence in Agriculture Geography. In, National Conference on “*Population, Poverty and Environment*”, May, 10th-12th, 2003, at Dept. of Geography, Aligarh Muslim University, Aligarh. (Abstract, P-4).
 - 8. Khan, F.R., Hassan, M.E. and Rizvi, S.K.A. 2002. A new record of gregarious behavior and colour patterns in *Choroedocus illustris* (Orthoptera: Acrididae). In, National Symposium on “*Recent trends in Zoological Science*”, March, 12th & 13th , 2003, at Dept. of Zoology, Punjab University, Patiala. (Abstract, P 33).
 - 9. Rizvi, S.K.A., Shosha, T.A., Rizvi, M. and Hassan, M.E. 2002. Chromoethological studies on the gregarious behavior of certain solitary Acridoidea in North India. In All India Symposium on “*Wildlife & 27th Conference of the Ethological Society of India*”. March 25th-27th, 2002, at Dept. of Zoology, University of Kerala, Thiruvananthapuram (Abstract, C-36).
 - 10. Rizvi, S.K.A., Badruddin, S.M.A., Khan, F.R., Shosha, T.A. and Hassan, M.E. 2002. Ethological studies on *Oxya velox* (Orthoptera: Acrididae) with reference to its aquatic environment specificity in Acrodotid biodiversity. In, National Symposium on “*Recent trends in Restoration of Aquatic Environment and Biodiversity of Insect*” February, 15th & 16th , 2002, Kongunadu Art and Science College, Coimbatore (Abstract, SII-6).
 - 11. National Conference on “*Bio-degradation of Wildlife, Environment and Biodiversity*” to be held on 19th and 20th March, 2017 at Gandhi Faiz-e-Alam College, Shahjahanpur and presented paper on “*Role of Stink Bugs in the Assessment of Climate Change*”.

12. Hassan, M. E. and Biswas, B. 2013. Record on some Stink bugs (Hemiptera: Pentatomidae) from Maharashtra, *Proceedings of NCIDS*, A.M.U., Aligarh: 20-28.
13. Biswas, B. Hassan, M. E. and Mukherjee, P. 2013. On an Account of Assassin Bugs (Hemiptera: Heteroptera: Reduviidae) of Maharashtra, *Proceedings of NCIDS*, A.M.U., Aligarh : 11-16.
14. J. Dasgupta, T. K. Pal, & M. E. Hassan. 2015. Significance of land-water interface (reservoir edge) for the perpetuation of fauna. *Proceedings of National Seminar on Aquaresources: Care and Concerns, Kolkata*, p. 47.

BOOKS/ REPORTS/ CHAPTERS/ GENERAL ARTICLES ETC.

1. Assassin bugs (Reduviidae: Heteroptera) from Chhattisgarh, India
2. State of Art – Hemiptera
3. Hemipteran fauna associated with mangrove in India
4. Hemipteran Fauna of The Himalayan ecosystem

Evaluation of Thesis

Evaluated thesis entitled “*Bio-ecology and Management of Walnut Aphids of Kashmir valley*” received from Kashmir University, Srinagar.

Supervision of M. Sc. Dissertation

Supervised Km. Suchana Pramanik student of Zoology (final year) of Dr. C. V. Raman University in the M. Sc. dissertation work on “Morphometrical Studies of Some Stink Bugs (Hemiptera : Pentatomidae) from North East India (Meghalaya and Tripura)”

SCIENTIFIC AFFILIATIONS:

1. Life membership: Zoological Society of Kolkata
2. Entomological Society of India, New Delhi.
3. Bulletin of Pure and Applied Sciences, New Delhi.
4. Bio-Science Research Bulletin, New Delhi.
