

## **Announcement**

**“Hands on Training Workshop on Animal Taxonomy”**

**12th to 14th February, 2020, Zoological Survey of India,  
Shillong**

*The North Eastern Regional Centre, Zoological Survey of India, Shillong is organizing a three days “Hands on Training Workshop on Animal Taxonomy” from 12th -14th February, 2020.*

*The workshop is meant for undergraduate and post graduate students of Zoology from the North East India. The primary objective of the workshop is to build capacity in taxonomic research among prospective researchers through laboratory and field exposure with special reference to the fauna of Eastern Himalaya. The trainees will also get an opportunity to interact with the practising taxonomists and to develop their interest in taxonomic research.*

*Capacity for the workshop is limited to 25 students. The organizers will not provide accommodations to the participants but may assist with booking of accommodations at Shillong.*

*Breakfast and working lunch will be provided to the participants.*
